

GENERAL HEALTH INSURANCE

Pursuant to the amendment made on paragraph 7 of Article 60 of the Law No. 5510 in accordance with the Law No. 6486 General Health Insurance Coverage for international students is optional. All new-registered foreign national students studying in our university shall be registered as universal health insurance holders provided that they submit a written application to Social Security Provincial Directorates/ Social Security Centres within three months following their enrolment at school.

In addition, after completing your university registration process, you are to take your foreign national ID number from Foreigners Section of Kastamonu Police Headquarters and inform the related Faculty/School/Vocational School Dean's Office / Directorate.
